DCSINT Task # 9044-A Returned to PO 07/03/90
SESSION DATE/TIME: 0803-0914

ESSENTIAL ELEMENTS OF INFORMATION REQUESTED IN ORDER OF PRIORITY:

SG1A

1. Describe the association between the vessel bearing the call sign [REDACTED]
and the vessel bearing the call sign [REDACTED]

SG1A

SG1A RESPONSE: The [REDACTED] will come alongside the [REDACTED] on 7 July to SG1A
transfer a big load of drugs.

2. Do both call signs belong to the vessel identified as [REDACTED] in SG1A
Project 9038?

SG1A RESPONSE: No. The [REDACTED] is not a callsign. the callsign SG1A
[REDACTED] belongs to the [REDACTED] which is not the same ship as the one
using the callsign [REDACTED]

SG1A 3. Describe the relevance, if any, of the activity projected to take place SG1A
south of Jamaica, and that projected for south of the Dominican Republic.

SG1A RESPONSE: I could find no hard and fast relationship between the two, SG1A
other than the possibility that one of the ships involved in the exchange
south of Jamaica may possibly also be involved in an exchange of drugs south
of the Dominican Republic. The one ship involved in both operations appears
to be the one using callsign [REDACTED]
